**YOUNG SUDBURY SINGERS** is Sudbury's premiere choir for children and youth in Grades 2 to 12. The choir provides young singers an opportunity to grow personally, musically and culturally through musical education and rewarding artistic experiences.

The **YOUNG SUDBURY SINGERS** was established in 2007 by Dr. David Buley. Two choirs are offered: the Junior Choir, directed by Colette Nadeau; and the Senior Choir conducted by Heather Charsley. Both directors are music teachers with the Rainbow District School Board and bring a wealth of conducting and performance experience to the choir.

YSS provides a safe and enjoyable environment for children and youth to develop a love of choral music through study and performance. Weekly rehearsals help the singers develop and refine their voice production and general musicianship, and enhance their personal growth and self-esteem.

**YOUNG SUDBURY SINGERS** present two concerts annually and perform at various community events in the Sudbury area. They have appeared on local radio and television, regularly earn Gold and High Gold Standards at the Sudbury Music Festival, and perform with other musical ensembles.

The Young Sudbury Singers contribute to the cultural life of Sudbury and connect with other choirs locally, provincially, and nationally. The choir regularly shares their joy of singing at various venues in the Sudbury area and participates in major fundraisers and benefit concerts.

**YOUNG SUDBURY SINGERS**  
are proud members of:

**The Young Sudbury Singers** Board members would like to thank our choir directors Heather Charsley and Colette Nadeau for all their work with our young singers to prepare for this concert.

We'd also like to thank the parents and guardians of the choir members, for getting them to rehearsal on time each week and for their additional support of all the choir's commitments over this very busy holiday season.

Most importantly, we want to thank the children for sharing their youthful enthusiasm each week, and for all their extra work over the past two months especially. Today's concert is our last of five performances since late October! We're looking forward to working with them again in the new year.

YSS is grateful to Rainbow District School Board, Sudbury Secondary School and the Sudbury Theatre Centre for the use of their facilities.

YSS would like to acknowledge the generous support of our **Season Sponsors** Vallen (see ad on back cover), Bayside Music (see ad on page 7) and AGF Rebar; and **Friends of YSS** Diana Chu and Ann Matte.

The singers thank General Manager Ralph McIntosh and the YSS Board for their support: Lindsay Côté, Margaret Donnelly, Nicole Fawson, Anita Gibson, Jessie Lloyd, Amanda Petrina, Line Plante, Cereena Rows, Alison Witty.

**The NSACB** was founded by Sandra McMillian while studying at Laurentian University in 2001. Sandra saw that there was a need for a community band in Sudbury to give amateur musicians a place to play. 21 years later we are still following our mandate of providing a place for musicians to come back to their instruments after many years of not playing. The NSACB provides quality performances for the public, and has raised thousands of dollars for charity along the way.

The NSACB would like to thank Sandra McMillian and all the dedicated musicians and volunteers. We would also like to thank our sponsors including Wenrick Kennels, Jim's Automotive, The City of Greater Sudbury and the Rainbow District School Board.

The NSACB accepts players year-round. If you have played a woodwind, brass or percussion instrument we would love to talk to you! Feel free to talk to Sandra after the concert or check out our website at [www.nostringsattachedband.org](http://www.nostringsattachedband.org) or check us out on Facebook!
